2016 SENIORS!!!

LaRita and Company is excited to announce we will be providing the photographic services for Statesboro High School for the 2015-2016 school term. It is our goal to provide the highest level of creativity and quality in our products and services. We are looking forward to providing the ultimate senior experience.

We offer the following suggestions for better portraits:

- Wear solid colors or simple patterns; text or busy graphics on clothing is often distracting and unreadable in photographs.
- Limit sun exposure beforehand. The last thing you want in your senior portraits is tan lines, or a sun burn!
- Limit your entourage. We all get a little self-conscious in front of a camera, and having an audience doesn’t help. While we’re all for bringing a friend if you want a picture together or your Mom to help make sure your hair is perfect in every shot, there isn’t always room for a lot of extra people and too many eyes may make you and others being photographed uncomfortable, and that will show in your portraits. We want to do everything we can to ensure your portraits are the very best they can be!
- **BRING PROPS!** If you play a sport, an instrument, have a hobby, etc. BRING IT! Props help tell YOUR senior portrait story. Some ideas: class ring, letter jacket, athletic equipment, collectables, uniforms, musical instruments, pets, anything that will personalize your portraits and make them as unique as you are. We encourage you to bring whatever expresses your personality.
- **GIRLS:** Keep it simple in cosmetics, jewelry, and hair. Simplicity is always most desirable. It’s best not to use a very light eye color, it makes the eye appear closed. Try to stay away from reflective powders/ foundations. These products will make shine spots, on your face. Choose a hairstyle you have already tried and love. Drapes will be provided for formal pictures.
- **GIRLS:** Please wear or bring a shirt to wear under the drape, it will only cover to right under the bust line.
- **GUYS:** Hair should be cut several days in advance so that you will look more natural. Please remember to shave. Tuxedos will be provided for formal pictures. Please wear a white undershirt/t-shirt to go underneath the tuxedo shirt.
- Be prepared to have FUN! Our photographers are so excited to be able to capture these priceless memories for you, don’t be afraid to show us who you really are so you’re sure to have the best Senior Portraits ever!

All sessions will be done at the LaRita and Company studio.
