VetCAMP (Veterinary Career Aptitude and Mentoring Program) will house up to 52 high school students on UGA’s campus for seven days.

To be eligible for VetCAMP, students must be current 10th, 11th or 12th grade high school students (at the time of application) who are interested in the veterinary profession.

Completed registration packets must have been received at the University of Georgia College of Veterinary Medicine Office for Academic Affairs by Friday, January 29, 2016, for a student to be considered for VetCAMP.
