What is GPA?
The Graduation Performance Academy (GPA) is a program that affords students attending any one of Bulloch County’s 3 high schools an opportunity to work toward earning high school credits through the online learning platform, Edgenuity.

Students can work at their own pace toward their goals of credit recovery or acceleration.

GPA Hours of Operation
GPA is open each week Monday through Thursday from 4:15 to 6:45 p.m.

GPA’s calendar aligns with that of Bulloch County Schools, so students observe all the same holidays and breaks.

Who can attend GPA?
Any Bulloch County high school student currently attending SEB, SHS, or PMHS is eligible to attend GPA. Students who are interested in attending GPA should meet with their high school counselors to develop a plan for what credits they will complete. After receiving parent permission, students are welcomed to begin attending GPA.

Why choose GPA?
GPA boasts certified teachers in each core area (Math, Science, English, and Social Studies) that are available daily to assist students with their learning at GPA.

Students will meet with the Graduation Specialist at least once weekly to discuss progress, set goals, and track students’ performance toward credit completion.
